

EXHIBIT A: STATEMENT OF WORK STANDARD TERMS

1. Ordering Document

This Ordering Document and Statement of Work (collectively "Statement of Work" or "SOW") is entered into between Campus Consortium (hereinafter "Campus"), Subcontractor (hereinafter "Unified") and Member (hereinafter "Member", "You" or "Your") (collectively, "Parties"). This SOW shall be governed by all the terms and conditions of the Master License and Services Agreement as referenced in the Statement of Work Details. If there is any conflict between the terms and conditions of the MLSA and this SOW, the terms and conditions of this SOW shall prevail.

2. Fees and Payments

The fees (the "Fees") for the first year specified in the Payment Schedule are payable within 30 days from the invoice date. Invoice date shall reflect the Effective Date of this SOW, as listed under the Statement of Work Details. Fees for reoccurring years are due on the anniversary date of this SOW's Effective Date. All services and payments are noncancelable and non-refundable. All fees are to be paid in USD.

3. Delivery of Services

Unless otherwise stated in the SOW, all Services will be performed remotely. If Services are required to be performed onsite, travel costs, lodging, meals/per-diem and incidentals will be in addition to the Fees and billed to Member based on actual costs.

The Parties agree to schedule Services at least two (2) weeks in advance; scheduling of Services is subject to availability of Campus or Unified Consultant(s).

All technical reports and other written materials provided to you will be in English, unless specified otherwise. You acknowledge that requesting technical reports and other written materials in another language may take more time and effort and may result in additional fees.

4. Change Control Process

Any request for any change in Services must be in writing; this includes requests for changes in project plan, scope, specifications, schedule, designs, requirements, service deliverables, software environment or any other aspect of this SOW. Unified shall not be obligated to perform tasks related to changes in time, scope, cost, or contractual obligations until the Parties agree, in writing, to the proposed change.

5. Term and Language

The Services shall commence on the Effective Date as listed in the Statement of Work Details. The Initial Term of the Services shall be as listed in Statement of Work Details. This Statement of Work shall renew for identical, successive Term(s) ("Renewal Term") as listed in the "Renewal Term(s)" in the Statement of Work Details, unless Member notifies Campus in writing, at least ninety (90) days prior to expiration of the operative Term, of its election to not renew.

Any Services remaining at the expiration of the Initial Term or Renewal Term shall be forfeited; at the end of the Initial Term or Renewal Term, as applicable, Campus and Unified shall have no further obligation in respect of such Services.

6. Services Agreement

You acknowledge that Campus and Unified's ability to perform the Services and the reliability of any estimate depends upon the following project assumptions and your fulfillment of the following obligations:

Inform the Unified's Consultant(s) in a timely manner of any pending scheduled upgrades, or any other modifications of the hardware and/or software environment that could affect performance.

Timely provision of and access to office accommodations, facilities, equipment, assistance, cooperation, complete and accurate information and data from the appropriate personnel and management, suitably configured computer products and compliance with the obligations above (collectively, "cooperation") are essential to performance of any services as set forth in this SOW. Neither Campus nor Unified will be responsible for any deficiency in performing Services if such deficiency results from your failure to provide full cooperation. Member is responsible for obtaining any consent required for Campus and Unified to perform Services under this SOW.

If Unified's cost of providing the Services in this SOW is increased because of Member's failure to meet the obligations listed in this SOW, Member agrees to pay Campus for such increased costs. Campus and Unified will provide Member with Notice detailing the circumstances causing delay(s) by Member that need to be remedied within a certain amount of time; failure of such will result in Unified issuing a change order to Member for the additional hours it will expend in providing the Services due to the delay(s) referenced in the Notice. If, after receipt of the Notice, Member disagrees with Unified's estimation of the delay(s) and the impact on the delivery of the Services, Member shall notify Unified, in writing, within ten (10) business days, of its objections to Unified's claim of delay. If Member responds to Unified's Notice, then the Parties will set up an executive session between Campus' designee, Member's designee and Unified's designee to resolve the dispute.
