

1 in 3 First-Year Students Won't Return. What's That Costing Your Institution?

StudentX Closes the Gap Between Disengagement and Intervention.

Modernize Your Mobile + Web Portal With StudentX.

Student Dashboard

Students see grades, holds, financial aid, and next steps in one place, so they stay on track instead of hunting across disconnected systems.

Insights Panel

Advisors and leaders spot disengagement early, track engagement trends, and act on real-time KPIs before at-risk students fall through the cracks.

StudentX vs. Ellucian Experience

	StudentX	Ellucian Experience
The Experience	From Today	From 1999
Cost	< Ellucian Experience	Not Free (you have to pay professional services fee)
Control	Your team manages with low-code	Tied to Ellucian's SaaS roadmap
Branding	Full custom branding, your identity	Limited by Ellucian templates
AI & Analytics	Embedded semantic search + NLP insights	Basic reporting, no native AI
Engagement + Retention	Unified in one platform	Separate systems required

Trusted by 150+ Institutions

1996 called. Your students want you to come back to the future.

Replace the link farms, call transfers and nightly cron jobs with a unified engagement, support and access platform, powered by AI and designed to improve student outcomes.

The modern student experience stack for Banner® institutions

A unified portal across web, iOS, and Android. Personalized experiences powered by AI semantic search and natural-language analytics - replacing the dated portals students abandon.

HOW WE TRANSFORM BANNER®

Transforms Banner® data into a live, mobile experience: grades, holds, financial aid, course schedules, and 360-degree student profiles surfaced in one place.

150+
institutions

2M+
daily users

Single sign-on, MFA, automated provisioning, and a no-code iPaaS that spans 500+ pre-built higher-ed connectors - eliminating manual account creation and CSV uploads.

HOW WE TRANSFORM BANNER®

Ellucian®-certified ILM and iPaaS partner. Ethos-ready templates and native Banner® connectivity get SaaS migration live in days, not months.

500+
connectors

Ellucian®
certified partner

Voice AI, Chat AI, and higher-ed-trained human agents resolving Admissions, Financial Aid, Advising, and IT queries in a single interaction - 24/7.

HOW WE TRANSFORM BANNER®

Native Banner® integration + QuickLaunch identity = the only fully automated password reset workflow built for Banner®. Eliminates 60-70% of IT helpdesk volume.

8M+
interactions / yr

50%
call deflection

Ellucian® is your system of record.

We transform it into the seamless, modern experience your students expect.
